Published March 2004

- **AMC is “inextricably tied to the readiness of the Joint Team.”**
 - **Joint, Interagency and Multinational Team:**
 - **the Army, the Joint Combatant Commanders, coalition partners, civilian authorities, our nation.**
- **Partners in Support of Joint Team Readiness:**
 - **the field army, PEOs, industry, other services and government agencies.**

GOAL

**Strengthen relationships with these partners
for the purpose of
streamlining logistics processes.**

Life Cycle Management Concept

Technology Partners in AMC's Strategic Plan

- **Enhance the sharing of targeted technologies with our foreign partners.**
 - to help offset development and fielding costs
 - while not compromising our edge on the battlefield.
- **Expand collaboration efforts with external innovation partners.**

GOALS:

**Identify & develop promising new technologies -
Leverage technology and partnerships so as to
ACCELERATE the fielding of
capabilities to the Warfighter**
